Eagle of the Month: **August:**

Chris McCoy! He has been doing an incredible job updating and supporting the building of late, we are so grateful brother!

September:

Mike Byquist! This guy has been responsible for all of the bands coming in this fiscal year! Thank you for researching and helping us have a great musical line up!

friendly reminder about membership re-enrollment:

Once an Eagle, always an Eagle! We love welcoming members back to the Aerie. If your membership has lapsed and you are no longer in good standing, the re-enrollment process is required to reactivate your membership. While you are inactive, you cannot be signed in as a guest, in accordance with our Constitution and current House Rules.

To help us keep everyone's membership information accurate and up to date, all re-enrollees, transfers, dual members, and new members must complete an application with their transaction. This is part of the Grand Aerie membership process and ensures we have the information needed to properly update your membership.

We're always happy to help you get your Eagle membership back on track! If you have questions about your membership status or the re-enrollment process, please reach out to foe2681@gmail.com to get started today!

Spokane Fire Relief Donation Drive:

A HUGE thank you to everyone who donated, volunteered, sorted, packed and helped make our Spokane Fire Relief drive a success! Thanks to your incredible generosity, our final delivery is headed to Spokane.

We also raised more than \$700 for The Animal Foundation, helping support animals in need. If you'd still like to help with Spokane fire relief, financial donations can be made through the city of Spokane: [Click here.](#)

These funds go directly to boots-on-the-ground organizations vetted by the City of Spokane. Thank you, Kirkland Eagles, for showing what we can accomplish when we come together!
